**Wells Vehicle Electronics Revitalizes Technical Service and Training Program;
Launches GoTech Technical Specialists**

FOND DU LAC, WI (January 7, 2020) – Wells Vehicle Electronics’ commitment to delivering industry-leading technical service and training has led to the development of GoTech, the go-to technical training resource for all things vehicle-related.

As a division of Wells Vehicle Electronics, GoTech is comprised of an entire team of ASE-certified professional technicians at the ready to answer questions and help customers of all levels complete long-lasting and reliable repairs on virtually every type of vehicle.

“We believe that the right information, in the right hands, along with the right parts, makes all the difference,” said Jim Gehl, Technical Services Manager for Wells Vehicle Electronics. “That’s why we are currently working to enhance our library of online resources on most of the products offered by Wells Vehicle Electronics, as well as training and product videos on [YouTube](#). And, if our online resources don’t provide the answers needed, we encourage people to call and talk with one of our ASE-certified professional technicians about the issue they are experiencing.”

The GoTech team can be reached by dialing 1-844-519-3557, press Option 1, between 7:30 a.m. – 6:00 p.m. CST, Monday-Friday, or via email at technical@gotech.com. In addition to producing online resources, creating training and product videos, and publishing them on YouTube and answering customer questions via its call center, the GoTech technical team also conducts in-person training events for customers.

About GoTech

As a division of Wells Vehicle Electronics, GoTech is a team of ASE-certified professional technicians dedicated to being the go-to technical resource that helps customers complete reliable repairs on essentially every type of vehicle. For more information, visit www.gotech.com.
