## **WVE Vehicle Electronics Introduces 449 New Part Numbers in December** *More Than 1,200 New Parts Added in 2020*

FOND DU LAC, WI (January 8, 2021) – WVE Vehicle Electronics introduced 449 new part numbers in December for a variety of sensors, switches, solenoids, coils, emissions, fuel injection products, and tools, now available for a range of light and heavy-duty vehicle applications. In all, WVE announced 260 switches, 148 sensors, 36 emissions products, 2 tools, 1 solenoid, 1 fuel injection throttle body, and 1 coil – which includes more than 316.6 million sales opportunities.

New part numbers are available for the following part types:

- 4WD Actuator
- A/C Clutch Cycle Switches
- A/C Compressor Cut-Out Switches
- A/C Refrigerant Temperature Sensor
- ABS Wheel Speed Sensors
- ABS Wheel Speed Sensor Wiring Harnesses
- Accelerator Pedal Sensors
- Air Bag Clocksprings
- Ambient Air Temperature Sensors
- Automatic Headlight Sensor
- Automatic Transmission Oil Pressure Switch
- Automatic Transmission Oil Temperature Sensors
- Automatic Transmission Speed Sensor
- Battery Current Sensors
- Brake Fluid Pressure Sensors
- Cabin Air Temperature Sensors
- Camshaft Synchronizer Alignment Tool Kit
- Circuit Breaker
- Clutch Pedal Position Switches
- Combination Switches
- Connectors
- Cruise Control Release Switches
- Cruise Control Switches
- Diesel Particulate Filter (DPF) Pressure Sensor
- Direct Ignition Coil Boot
- Disk Brake Pad Wear Sensors
- Door Lock Actuators
- Door Lock Switches
- Door Mirror Switches
- Door Window Switches
- EGR Cooler
- EGR Tubes
- EGR Valve Control Solenoid
- EGR Valve Gaskets

- Engine Camshaft Gear Installation Tool
- Engine Camshaft Position Sensors
- Engine Camshaft Synchronizer
- Engine Coolant Air Bleeder Valve
- Engine Coolant Temperature Sender
- Engine Coolant Temperature Sensors
- Engine Crankcase Breather Hose
- Engine Crankshaft Position Sensors
- Engine Intake Manifold Runner Control Sensor
- Engine Intake Manifold Runner Solenoids
- Engine Oil Pressure Switches
- Engine Variable Valve Timing (VVT) Adjuster Magnets
- Engine Variable Valve Timing (VVT) Solenoids
- Exhaust Gas Temperature (EGT) Sensors
- Fog Light Switch
- Fuel Injection Throttle Body
- Fuel Tank Vent Valves
- Hazard Warning Switches
- Headlight Level Sensor
- Headlight Switches
- High Intensity Discharge (HID) Lighting Ballasts
- High Intensity Discharge (HID) Lighting Module
- HVAC Blend Door Actuators
- HVAC Blower Control Switches
- HVAC Blower Motor Resistors
- HVAC Blow Motor Resistor Kits
- HVAC Control Switch
- HVAC Cut-Off Switches
- HVAC Heater Core Temperature Sensors
- HVAC Recirculation Door Actuator
- HVAC Sun Sensors
- Ignition Lock Cylinders
- Ignition Switches
- Liftgate Release Switches
- Neutral Safety Switches
- PCV Valves
- Pedal Height Adjustment Switch
- Pigtails
- Power Sliding Door Switch
- Relays
- Seat Lumbar Switch
- Seat Switches
- Shift Interlock Solenoid
- Starter Brush
- Steering Angle Sensor
- Sunroof Switch
- Tail Light Circuit Board
- Transfer Case Range Position Sensor
- Trunk Lock
- Turn Signal Flashers
- Vapor Canisters
- Vapor Canister Purge Valves
- Windshield Wiper Switch

“The addition of these new part numbers for December brings the total number of new part numbers announced in 2020 to 1,245,” said Patrick Sommerfeld, Vice President of Sales and Marketing with Wells Vehicle Electronics. “In 2021, we will continue to add new professional-grade vehicle electronics and engine management products to our line, honoring our commitment to meeting the needs of customers throughout the industry.”

For more information on our new part numbers launched this month, as well as our complete parts list, visit our online catalog at <http://wvebrand.com/parts>.

**About WVE Vehicle Electronics**

WVE Vehicle Electronics offers a full line of professional-grade vehicle electronics and engine management products – including coils, sensors, ignition, emissions, relays, and other vehicle electronics part categories – to the automotive aftermarket. For more information, visit [www.wvebrand.com](http://www.wvebrand.com).

**About Wells Vehicle Electronics**

Wells Vehicle Electronics L.P., founded in 1903 by Robert Wells, designs, manufactures, and distributes industry-leading vehicle electronics. As a division of NGK Spark Plug Co., LTD, Wells focuses on finding and providing win-win solutions for its associates and business partners from its headquarters in Fond du Lac, Wisconsin. For more information, visit [www.wellsve.com](http://www.wellsve.com).
