**WVE Vehicle Electronics Introduces 472 New Part Numbers in September**  
*Includes More Than 272 Million Sales Opportunities*

FOND DU LAC, WI (September 30, 2020) – WVE Vehicle Electronics introduced 472 new part numbers in September for a variety of sensors, switches, solenoids, coils, emissions and fuel injection products, now available for a range of light and heavy-duty vehicle applications. In all, WVE announced 3 solenoids, 12 fuel injection throttle bodies, 25 coils, 67 emissions products, 145 switches and 220 sensors – which includes more than 272 million sales opportunities.

New part numbers are available for the following part types:

- A/C Evaporator Temperature Sensor
- ABS Wheel Speed Sensors
- ABS Wheel Speed Sensor Tone Rings
- Accelerator Pedal Sensors
- Air Bag Clocksprings
- Air Charge Temperature Sensors
- Ambient Air Temperature Sensors
- Automatic Transmission Control Solenoid
- Automatic Transmission Fluid Temperature Sensors
- Automatic Transmission Speed Sensors
- Battery Current Sensors
- Brake Fluid Level Sensors
- Brake Light Switch
- Brake Pedal Position Sensors
- Center High Mount Stop Lights
- Clutch Pedal Position Switches
- Combination Switch
- Cruise Control Distance Sensor
- Cruise Control Release Switch
- Cruise Control Switch
- Disk Brake Pad Wear Sensor
- Diverter Valves
- Door Lock Actuators
- Door Window Switches
- EGR Pressure Sensor
- EGR Tubes
- EGR Valves
- EGR Valve Control Solenoid
- Engine Camshaft Position Sensors
- Engine Camshaft Position Sensor Interrupter
- Engine Coolant Level Sensors
- Engine Coolant Temperature Sensors

- Engine Crankcase Vent Valve
- Engine Crankshaft Position Sensors
- Engine Oil Level Sensors
- Engine Oil Pressure Switches
- Engine Variable Valve Timing (VVT) Adjuster Magnets
- Engine Variable Valve Timing (VVT) Solenoids
- Engine Variable Valve Timing (VVT) Sprockets
- Exhaust Gas Temperature (EGT) Sensors
- Fog Light Switches
- Fuel Injection Throttle Bodies
- Fuel Tank Vent Valve
- Hazard Warning Flashers
- Hazard Warning Switch
- High Intensity Discharge (HID) Lighting Ballasts
- HVAC Blower Control Switches
- HVAC Cut-Off Switch
- HVAC Heater Core Temperature Sensors
- HVAC Mode Door Actuator
- HVAC Pressure Switches
- HVAC Temperature Valve Actuator
- Ignition Coils
- Ignition Knock (Detonation) Sensors
- Ignition Lock Cylinders
- Ignition Switches
- Liftgate Release Switch
- Lighting Control Module
- Manifold Absolute Pressure Sensors
- Manual Transmission Speed Sensor
- Mass Air Flow Sensors
- Parking Aid Sensors
- Parking Brake Switch
- PCV Valves
- Pigtails
- Rain Sensors
- Relays
- Speedometer Driven Gear Sleeve
- Starter Solenoid
- Steering Angle Sensors
- Suspension Ride Height Sensors
- Throttle Position Sensors
- Turbocharger Boost Sensors
- Turn Signal Flashers
- Vapor Canisters
- Vapor Canister Purge Solenoids
- Vapor Canister Vent Solenoid
- Vehicle Speed Sensor
- Washer Fluid Level Sensors
- Windshield Wiper Switch

“The addition of these new part numbers for September further demonstrates our continued commitment to meeting the needs of our customers with a full line of professional-grade vehicle electronics and engine management products,” said Patrick Sommerfeld, Vice President of Sales and Marketing with Wells Vehicle Electronics.

For more information on our new part numbers launched this month, as well as our complete parts list, visit our online catalog at <http://wvebrand.com/parts>.

**About WVE Vehicle Electronics**

WVE Vehicle Electronics offers a full line of professional-grade vehicle electronics and engine management products – including coils, sensors, ignition, emissions, relays, and other vehicle electronics part categories – to the automotive aftermarket. For more information, visit [www.wvebrand.com](http://www.wvebrand.com).

**About Wells Vehicle Electronics**

Wells Vehicle Electronics L.P., founded in 1903 by Robert Wells, designs, manufactures, and distributes industry-leading vehicle electronics. As a division of NGK Spark Plug Co., LTD, Wells focuses on finding and providing win-win solutions for its associates and business partners from its headquarters in Fond du Lac, Wisconsin. For more information, visit [www.wellsve.com](http://www.wellsve.com).
